

## PROGRESS REPORT

# Year 9 English

Student: [REDACTED]

DATE STARTED: September 2018

DATE COMPLETED: July 2019

The average assignment  
grade attained was:  
83%

### Tutor comments

[REDACTED] has worked extremely hard during the Year 9 course and has achieved consistently good grades. It is a pleasure to be her Tutor. She writes clearly and concisely and always fit for purpose. Technically her writing is very accurate, and she uses a range of vocabulary, punctuation and sentence structures. To improve her writing, [REDACTED] could add more descriptive detail and use imagery and other techniques in her creative writing.

She is beginning to analyse language and clearly understands the main themes and ideas in a text. To improve her reading, [REDACTED] could develop her close language analysis such as commenting on individual words or phrases in a text. [REDACTED] could also identify techniques (such as imagery) and analyse these to achieve the highest grades. She could also begin to discuss the form and structure of a text.

[REDACTED] is also strong in speaking and listening. To improve she could try only using notes to help prompt her presentations and slow down her speech at times.

### Progression to Year 10

I feel [REDACTED] will comfortably move into Year 10 and has gained all the skills needed to achieve high grades at KS3. If she applies the above feedback to the Year 10 assignments, I am sure she can achieve the top grades.

Sarah Keeler  
English Tutor

This is to certify that  
[REDACTED]  
has completed  
Wolsey Hall Oxford's  
Year 9 English course.
